HERE'S HOW WE INCREASED INTSATGRAM AND FACEBOOK FOLLOWERS SIZE BY 400%

Client Overview

AMK Global is a Canada- and UK-based immigration and recruitment company that helps professionals build their dream careers abroad. From guiding students to study at top universities to assisting individuals in settling or launching a business overseas, we provide end-to-end support.

We also partner with employers worldwide to source top-tier talent through our expert recruitment services, ensuring the perfect match between opportunity and skill. With AMK Global, starting a new life or growing your team is simpler than ever.

Objectives

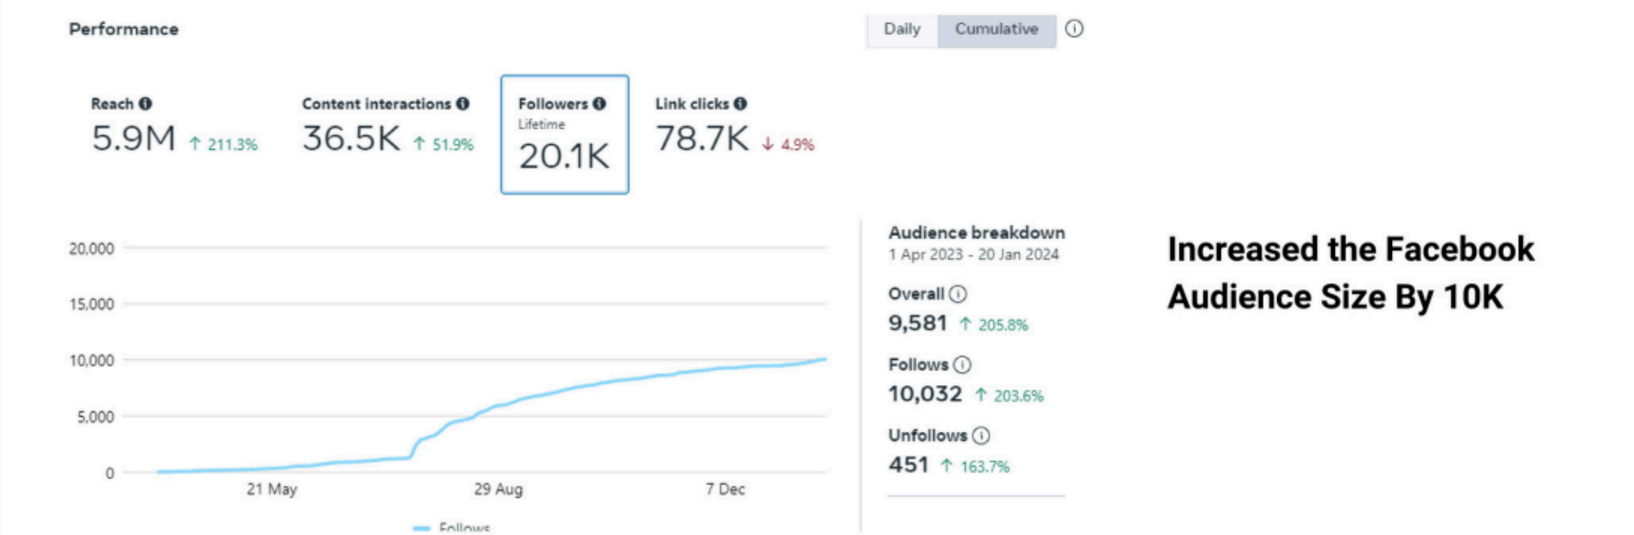
- Grow the brand's audience on Meta platforms.
- Enhance Instagram aesthetics and design to reflect brand identity.
- Share valuable content to educate and establish thought leadership.
- Capture potential leads engaging with the brand on social media.

Solutions

- Conducted thorough competitor research to uncover content ideas and strategic insights.
- Developed a complete branding guide covering color palettes, fonts, and visual elements.
- Maintained a consistent posting schedule with engaging content to boost audience interest.
- Set up a streamlined system to manage inbox messages, comments, and interactions efficiently.

Results

- Grew follower base by 400% across Meta platforms.
- Achieved a 40% increase in high-quality organic leads via social media.



Increased the Facebook Audience Size By 10K

Increased the Instagram Audience Size By 2.5K
