HERE'S HOW WE HELPED NTM GET OVER 17K+ INSTALLS AT 5 INR / INSTALL

Client Overview

NTM (News That Matters) is a fast-growing news aggregation platform that delivers instant updates by sourcing content from 1,200+ verified news publishers. The platform focuses on delivering quick, reliable, and clutter-free news consumption similar to short-format news apps.

Objectives

- Scale high-volume app installs across India while maintaining strong cost efficiency.

Solutions

- Deployed Google App Campaign (UAC) optimized for installs at scale
- Structured campaigns for balanced growth - volume + CPI control
- Leveraged instant breaking news positioning to attract high-intent users
- Highlighted 1200+ trusted news sources to build credibility and trust

Results

- **17,000+ App Downloads** Generated Massive user acquisition at scale
- Ultra-Low Cost Per Install Achieved **₹5.11 CPI**
- High Spend Efficiency Delivered results with just **₹87,000 total ad spend**
